### **Wanted: Recyclable cans and bottles**

With parish finances always in need of a boost, Greg Fawell has come up with a new money-generating idea!

He wants parishioners to "donate" your recyclable cans and bottles to the parish. These will then be taken to a cycling point and its then money in the bank!

But like all initiatives, volunteers are required. Mike Salmon has agreed to collect

the cans and bottles at All Saints so we now need a volunteer from St Mary's.. When taken to the recycling point, a special code (C10557522) will be given and the earned cash will be deposited straight into the parish bank account.

Special cards will be handed out to parishioners as a reminder to participate in this money-generating initiative.

## **Janice swims Laps for Life**

Janice McEwen has joined fellow St Mary's parishioner Jo Ludlow in helping to highlight the plight of those suffering mental health issues and other illnesses.

Last week we told you about Jo joining The World's Greatest Shave on April 7 and shaving her head (again) in support of the Leukaemia Foundation.

Janice is now throwing herself in the deep end in the Laps for Life initiative this month in support of youth mental health. She aims to swim a lap for every dollar donated – and the total so far is \$400!

Janice says suicide is the leading cause of death in young people in Australia and each year more young people die from suicide than in road accidents or through cancer.

"Laps for Life provides young people across the country with the (financial) support they need to be happy and well," she said.

To support Janice in raising money for youth mental health issues, please cut and paste the link <https://www.lapsforlife.com.au/fundraisers/janicemcewen> and follow the prompts.

Janice said all funds raised support ReachOut, the most accessed online mental health service for young people and their parents in Australia.

**ROSTERS:** With the new quarterly roster period starting on April 10, St Mary's parishioners are urged to register their interest in one of many duties that have to be filled every week. Readers, hosts, morning tea and church cleaning are among roles needing to be filled. Please see David Zuidam or Tom Winterbourn if you are willing to help or email [twinterbourn@ozemail.com.au](mailto:twinterbourn@ozemail.com.au) All Saints rosters have been filled up to July 3.

**MORNING TEA:** Please note that until at least Easter, no food (including biscuits) will be provided at Sunday morning teas. Revd Rob also requests that tea and coffee be served outside to help guard against the corona virus.

### **Prayer for a new parish priest**

**Bountiful God, please give to this parish a faithful pastor who will faithfully speak Your word and minister your sacraments; an encourager who will equip your people for ministry and enable us to fulfil our calling.**

**Give to those who will choose wisdom, discernment and patience and to us give warm and generous hearts, for Jesus Christ's sake.**

**BANDYUP PRISON:** Donations are no longer being accepted at the Family Centre at the prison because of Covid restrictions. Your support in the past has been appreciated and we thank you for your loyalty to the families attending. God bless.
