## The AYCS

The Swan Parish Youth is unique to our parish, but we enjoy a strong affiliation with the Australian Young Christian Students. This gives us more opportunities to meet and socialise with other Christian youth and to attend faith formation and leadership training, camps and conferences. Most importantly, the YCS is a student led movement that supports youth leadership to an extent that we strive for in SPY. Following the YCS method, we use the Review of Life to reflect on our lives in the light of the gospels, and plan appropriate action where necessary to help ensure that Christ's message is at the heart of all we do.

## Who we are

The Swan Parish Youth—*SPY as we like to call ourselves*—formed in 2007. We aim to provide a fun and safe space where parish youth in years 7—12 can get to know each other better, share ideas about how to be involved in the parish, and support each other to live out our Christian faith.

## What we do

The SPY meet once a month throughout the year, usually on Friday nights at The Minchin Centre.

We also plan extra social events and outings as we feel they are needed.

Our monthly meetings are fun gatherings to help us build friendships and develop our skills to lead and run our own

youth movement. Adult assistants, who meet all the requirements of the Child Safe policies of the Anglican church, attend our events to support and guide us, and ensure safe practises are upheld at all times.

## Please join us

Membership to SPY is free and open to all youth in years 7-12 who have an active interest in our parish community.

A gold coin donation is requested to cover the supper at our meetings, and other costs associated with social events are required as needed.
